Dedication

The Senior Class of '67 wishes to dedicate this edition of the Torch to Mr. and Mrs. Lewis Dexter Wheeler, thanking them for their interest and concern for us during these past four years. Their lives have been before us as inspiring Christian testimonies--a torch for us to look up to and respect.

EDITORIAL

We have much to be thankful for at school this year. Although we seniors may not be able to share the privilege of using the new classroom building, we have been blessed by being able to participate with other students, staff, and friends in making this lovely building possible. By the gifts and prayers of people concerned with the furthering of Christian education, this school may become better fitted to train teen-agers during the trying times which we face. If we as young people, approaching adulthood, are going to "...be ready always to give an answer to every man that asketh us a reason of the hope that is in us...", we need to have the training that a Christian school offers. May the Lord continue to pour His blessing on this school and its supporters as He has done in the past.

MR. HAROLD DUFF

THE PRESIDENT SPEAKS

Why a Christian Academy

Someone has said, "Man was made to dwell in a garden but through sin he has been forced to dwell in a field, a field which he preserves only at the price of constant watchfulness and endless toil. Let him but relax his efforts for a few years and the wilderness will claim his field again. The jungle and the forest will swallow his labors, and all his loving care will have been in vain." Every farmer knows that a field which is neglected will soon be a wilderness. This same law also holds true in the spiritual life. The moral bent of man is not toward God. Even in the Christian life, after a man is converted to Christ he needs to learn the lesson that he is not exempt from temptation. "And what is temptation but the effort of the wilderness to encroach upon our new-cleared field?" The Christian is hated by the devil and all the forces of the lost world.

In all of life there is the need of constant watchfulness and prayer. Since this law is true, we believe that young people need to be disciplined in their spiritual lives. A very important part of education is the spiritual development of the individual. We hear much today about the total personality, and the total personality includes the spiritual life. Christian young people need adequate care and should not be left to their own devices or to the devices of the world. Why clear a field and then leave it to the mercies of undisciplined nature? This would be absurd; it would be a waste of effort and could not possibly result in any gain.

Therefore, it is our belief that Christian Education is important to the youth of today. The neglected life will soon become a moral chaos; this is seen all over America today. To combat this situation there are now over 235 Christian Schools associated with the National Association of Christian Schools. This represents more than 38,000 pupils. May the efforts of those Christians who make these schools possible keep the wilderness from overrunning our youth and make them a fruitful generation.

DR. R. ARTHUR FISH

To the Class of '67 I commend Psalms 119:11.

Sin is ever in us, about us, and tempting us. The born-again believer has, as his constant helper, the indwelling Holy Spirit of God. He will draw all things to remembrance, but He does not cause us to remember what has never been learned. It is therefore necessary to hide God's word in our hearts by memorizing and using it. It is the only offensive weapon the believer has in the warfare with Satanic forces.

The example of Jesus's defeat of Satan's temptations recorded in Matthew 4, as He quoted scripture, can be repeated in our lives only if we are familiar with the Word of God. The power to escape from or to bear temptation is the Word of God (1 Cor. 10:13). The warfare we wage is not earthly but heavenly, so the weapon must be heaven-sent - The Word of God.

MR. JOHN SPRAGUE, Principal

RELATIONSHIP WITH GOD

Some time ago I read a book by A. W. Tozer entitled The Knowledge of the Holy. One of the statements he gives in his book has come to my mind many times. He says, and I quote, "...no people has ever risen above its religion; no religion has ever been greater than its idea of God."

The more I think on this statement, the more I can see that he knew much about the relationship between man and God.

It is my conviction that at one time man knew God. It is written of Enoch and Noah that "they walked with God." As time went on, Romans chapter one tells us that when man "knew God, he glorified Him not as God..., but...changed the glory of the uncorruptible God into an image made like unto corruptible man, and to birds, to fourfooted beasts and creeping things." I believe that this is one of the reasons why there are people today that are steeped in superstition, ignorance,

and poverty. The first step down of any person is taken when he surrenders his high opinion of God.

It seems that in our day, on every hand, there is lack of faith in God.

It is my privilege to work with young people teaching them the truth about God.

First Peter 1:18-20 says, "Forasmuch as ye know that ye were not redeemed with corruptible things, as silver and gold, from your vain conversation received by tradition from your fathers; but with the precious blood of Christ, as of a lamb without blemish and without spot: who verily was foreordained before the foundation of the world, but was manifest in these last times for you."

Education is to equip man for life. One of man's life needs is to have a proper relationship with God.

I trust that here at school we might give our students a complete education so that they will be ready to meet man and God.

DORIS ZEPEDA

Doris has been the first foreign student to attend our academy. We have enjoyed having her with us and feel that she has made a remarkable adjustment to her life here.

Doris previously studied in the Teacher Training Department at the Internado Colegio Bautista, Santa Anna, El Salvador. Following graduation and after passing government examinations, she was employed at the college in the Boarding Department. It was here that she started to learn English from a corps worker.

It has been through the sponsorship of the Littlefield Memorial Baptist Church in Rockland that Doris has been able to spend this year with us at the Academy.

Her many friends at the school pray that the Lord may richly bless her as she continues her studies at Washington State Teachers' College in Machias, Maine, next year.

Paul discontinued his studies after midyears to fulfill his military obligations. He was Class president for two years, served on the Student Council, and was one of the star runners on the Cross-Country squad.

We have appreciated Paul's enthusiasm in the activities of the Academy and wish him the best as he serves our country and the Lord.

Favorites

SENIOR FAVORITE

The Senior Class wish to express their appreciation to Mr. John Sprague, not only for his instruction but also for his patience in training us. We are able to look up to him with the friendship and respect which we believe is necessary for a principal to have. We have learned much from him that will help us spiritually and in the secular world as well.

The Lord has certainly been good in giving the school such a dedicated teacher.

MR. JOHN SPRAGUE

MR. and MISS

John Calvin Dancer and Belinda Dunham have been chosen by the faculty as Mr. and Miss Senior Class. Because of their dependability, cooperation, willingness to serve, and their consistent Christian testimony, we believe that they well represent the type of young people we are endeavoring to train here at Christian Academy.

We are enjoying our third successful year as the Glen Cove Christian Academy Drama Club. This year is a busy one and everyone seems to enjoy it.

We held our Halloween party in the Chapel. There was a melodrama for entertainment and the traditional cider and doughnuts for refreshments.

Other plans for the year include a one-act play for competition and a trip to the University of Maine to see Oliver Goldsmith's "She Stoops To Conquer."

We especially thank our directors, Mrs. Edith Chaffee and Mrs. Carole Ann Sprague, for all their help and guidance through this year.

The baseball team of 1966 had a most successful season. Losing only one game in the season, we gained a first place tie for the league championship. This was the first time that we had a real winning season in baseball since we joined the league four years ago.

The team lost four of its better players at graduation but hopes to carry over the success of last spring into the 1967 season.

Cross-country was eliminated from the sports program in the Medomak Valley League. For this reason our cross-country squad was forced to run in three-way meets against larger schools.

Our win-loss record was not impressive, but our runners gained experience against tougher competition.

The team was invited to the regional meet in Waldoboro. Our only runner eligible for the state meet was Steve Jewell.

Debbie O'Roak was high scorer with 197 points and Ellen O'Roak, runner-up with 145. Miss Cook was the coach and Donna Roberts, the manager.

The 1966-67 Glen Cove Christian Academy basketball team had a fairly successful season. Our record for the regular season was 10-8.

In many of the key games of the season we were hampered by the absence of some of our better players because of injuries.

The team avenged early season losses to Potter Academy and Deer Isle by handily defeating them near the end of the season.

Tim Duff was our high scorer in most games. In the second game against Bristol he scored 36 points and grabbed 25 rebounds.

With four starters returning next year, the team looks hopefully forward to a highly successful season.

FIRST ROW: J. Watson, Barry Femald, J. Theriault. SECOND ROW: Mgr. D. Kent, Dan Osgood, M. Dauphinee, Dean Osgood, D. Smith, P. Humphrey, Bruce Femald, Coach G. Chaffee.

The J. V. basketball team had trouble getting going at the start of the season. As the season progressed, they improved steadily and displayed good teamwork.

The season ended with a 6-3 record.

The high scorer was Jim Watson, who averaged more than 15 points per game.

Many of the younger players gained valuable experience which will help them when they move up to the varsity team.
